

# MANAGER FLOYD RECEIVES 20-YEAR SERVICE EMBLEM

The Cumberland Telephone and Telegraph Company has for years made recognition of worth and service a part of its program in treating with employees. All managers who have given twenty years faithful service to the company besides being substantially rewarded, are presented with a beautifully engraved badge, emblematic of the twenty years' service. One of these has just been presented, to Mr. H. H. Floyd, local manager of the Cumberland Exchange. The emblem was accompanied by the following letter:

"Atlanta, Georgia, April, 1920.  
"Mr. Henry H. Floyd,  
"Commercial Department, Paris, Ky.  
"Dear Mr. Floyd: I am glad, indeed, that you have achieved a term of service entitling you to a new service record emblem bearing the numeral 20. The loyalty on your part which has bound you to the company is appreciated by the company and its officials. The company on its part has endeavored to make the association such as to add to your personal happiness and material welfare. This new badge of honor marks another milestone in our happy relations, and inspires me to wish that it may continue indefinitely and grow in strength and affection.  
"With best wishes, I am  
Sincerely Yours,  
(Signed) "J. EPPS BROWN, Pres."

## MATRIMONIAL.

A marriage license was issued Saturday from the office of County Clerk Pearce Paton to Harry Hill, son of J. S. Hill, and Miss Mary Branel, daughter of Charles Branel, all of Paris. This is the second venture in the matrimonial line for the groom-elect.

## WIND—ELMORE.

Mr. and Mrs. J. W. Wind, of North Middletown, announce the marriage of their daughter, Amelia, to Thomas D. Elmore, of Lancaster, on Monday afternoon, April 5, at 3:30 o'clock, in Indiana.

## MALONEY—LINEHAN.

Friends and relatives in this city have received announcement cards, worded as follows:  
"Mr. and Mrs. J. T. Mahoney announce the engagement of their daughter, Margaret Francena, to Mr. William A. Lenihan, of Detroit, Michigan."

Mr. Lenihan is a former resident of Paris, a son of the late William Lenihan, a brother of Frank Lenihan, and Misses Irene and Margaret Lenihan, of Paris, and T. C. Lenihan, and Mrs. Charles Dodd, of Lexington. During his residence in Paris, he was a clerk in the grocery of T. C. Lenihan. He was one of the most popular young men in the city. The wedding will take place this month.

## BURBRIDGE—AUSTIN.

An interesting rumor is that of the approaching marriage of Miss Mary Burbridge and Mr. Frank Austin, both of Lexington, which is scheduled to take place in June.

Miss Burbridge is a former resident of Paris, a daughter of the late Oscar Burbridge, of Hutchison, and a sister of Jas. M. Burbridge, for many years in the revenue service in this county. She is a popular member of one of Kentucky's prominent families. She is now on a visit to relatives in Chicago and other cities in the West. Mr. Austin holds a responsible position in the Internal Revenue Collector's office, at Lexington, and is very popular with a large circle of friends in Central Kentucky.

## ATTENTION, TOBACCO GROWERS!

POTASH is the thing that tobacco needs for rapid growth and quality. Our stocks of SWIFT'S BLOOD AND BONE FERTILIZER have just arrived. This contains FIVE PER CENT POTASH, which is two to four per cent MORE than has been manufactured since before the war. Take a bag or two out to your plant beds now, and let us book your order for what you require for your patch before it is all gone.

## THINGS TO WORRY ABOUT

One great cause for the high cost of living is that there are too many people trying to exist without working, even here in Paris, Ky. In other words, there are too many drones eating up what the workers are producing. As long as this condition exists food stuffs will be high. As shown by the census every city is showing a large increase in population, while the country districts show a falling off. If the farmers do not work fifteen hours a day and double their production, these birds in the cities will be eating one another like cannibals are doing in the Fiji Islands.

Our idea of a pessimist is a person who can't admire orange blossoms for thinking of the lemon crop.

## CALL ON JOHN T. COLLINS FOR STATE SENATOR.

Below is a list of Bourbon County citizens who have signified a desire to have Mr. John T. Collins, of Paris, represent this district as State Senator in the next session of the Kentucky Legislature, that honor in rotation, now falling to Bourbon county:

### Call On Mr. Collins.

The undersigned, farmers and business men of Bourbon County, respectfully call on you to permit the use of your name as a candidate for the Democratic nomination for Senator from this District, comprising the Counties of Bourbon, Clark and Montgomery, and in making this request we submit reasons for our insistent demand that you give the matter your earnest consideration.

Bourbon, Clark and Montgomery Counties need, and must have, a thoroughly capable and live man to represent this District in the next Kentucky Legislature for the reason that many far reaching and highly important matters are to be disposed of.

Matters pertaining to the betterment of the public highways, which question is requiring such deep thought in solving this necessary, and all important question, as well as progressive legislation affecting the educational interests of the State are to be solved. Other matters of lesser importance are also to be worked out by the State lawmakers and Bourbon County as well as her sister counties must have a representative in the State Senate that is equal to the big task ahead.

We believe that you are eminently fitted to be of great benefit to this Senatorial District, and while we realize that your business interests are such that to make this race would entail upon you a real hardship, we likewise realize that someone must look out for Bourbon and the remaining counties in the District as well as the welfare of the entire state, and you are the man, in our opinion, best fitted to serve the District.

As a successful farmer, horseman, banker and tobacco man, your wide and varied successful financial experiences will prove of inestimable value in the hall of the State Senate not only for the people of this Senatorial District, but your efforts will be highly beneficial to the entire people of Kentucky.

We are satisfied that your great leadership in all of the late war work drives, in which you gave not only of your time, but most liberally of your money to all calls, and your success in leading every one of the war drives to highly successful conclusions, conclusively proves your hold on the confidences of our people, and they in turn are now urgently requesting your acceptance to their pleadings that you consent to become a candidate for the Democratic nomination for State Senator from this District.

You have responded to every patriotic call nobly in the past, and we are constrained to believe that you will not decline to represent us.

John T. Ireland, of Paris and Lexington, who now owns and trains a large stable of horses, returned Saturday from Havana, where he campaigned during the winter. Mr. Ireland stated to Paris friends that racing at the Cuban track was on a much high plane this year than it had ever been before. One of the best racers in his stable is the fast sprinter, Col. Taylor. Mr. Ireland met many Kentucky people, and several from Paris and vicinity, during his stay in Cuba.
